## Community Membership scheme

We want Community Membership to be as accessible as possible so if you think your organisation would benefit from it but can't meet the requirements below please get in touch with us and we'll see what we can do.

**Email:** [membership@wethecurious.org](mailto:membership@wethecurious.org)

**Call:** 0117 915 1000 (Monday to Friday, 9am-4.30pm)

### Who is it for?

Charities, not for profit organisations and services, whose purpose is to support individuals who face barriers to accessing We The Curious, in particular:

- / Young people
- / Disabled people
- / Those experiencing socio economic inequity
- / Those who are not well represented in the science centre sector

### How much does it cost?

There is no charge for Community Membership. Tickets for Community Membership visits are free and are for venue admission only. Optional tickets to our planetarium shows are chargeable at the current open concession price and can be purchased in addition to your free Community Membership visit.

### How does it work?

Community Members must pre-order their tickets by email or phone, with our Bookings team.

All Community Membership tickets must be booked a minimum of 72 hours in advance. We're not currently able to process Community Membership ticket requests on same day as your visit.

Tickets are sent to the registered email address for your organisation, for you to print off or display digitally (e.g., on a phone) when you arrive for your visit.

### Additional support from us

We The Curious offers a range of additional support to help you make the most of your Community Membership. Our Bookings team is on hand to answer questions about tickets and pre-visit planning. We offer an in-person welcome on your first visit to us, and we host regular meetups for our Community Membership key contacts, which aim to help you get to know us and our venue better. We'll keep you updated on relevant news and events at We The Curious by sending you our quarterly Community Membership e-newsletter.

### How do I apply?

If you'd like to become a Community Member, please complete the application form below - we aim to review and respond within 14 days of receiving your form.

Once an application has been approved, you'll then be registered with us as a Community Member and can start accessing your membership benefits straight away.
